Introducing our New Air Polisher!

We are pleased to inform you we have a new air polisher!

The air polisher offers something a little different alongside your regular hygiene appointment. It uses an air-power-water jet to gently and effectively clean and polish your teeth, removing surface stains and deposits from those hard to reach areas to give you a fresh, clean smile.

This is a firm favourite to many of our patients who I'm sure will be as delighted as we are to have it back!

Team news

We are so excited to introduce some fantastic new members to our team.

Please join us in welcoming Emily, our new receptionist, Wing Hing, our new trainee dental nurse.

Be sure to say Hello at your next visit!

Google Reviews

6th August 2024

Welcoming, friendly, efficient, the dentist kept me informed all through my treatment and always made sure I was comfortable with every stage of treatment. I felt relaxed and safe. Reception staff are always very helpful and friendly too.

We really value your feedback. Leave us a google review and you could be in with the chance of winning a £25.00 gift voucher.

Refer a Friend

We are accepting new patients, so if you know someone who needs a dentist, either for routine dentistry or cosmetic work, we will be happy to see them.

Also if they tell us your name we will send YOU a complimentary gift voucher to say thank you. The greatest compliment you can give us is to recommend us to your friends and family.
